MOTION BY SUPERVISOR DON KNABE

May 29, 2007

Amendment to Item 2-D and 2-H

I am concerned to learn that the Section 8 Program's computer software is not "user friendly", is complicated to use, and has been identified by HUD as using outdated technology. While I support the purchase of new software, I would like to know the total final cost, as well as the functionality of the new system, once it is installed.

I, THEREFORE, MOVE that the Board of Supervisors instruct the Executive Director of the Community Development Commission to:

1. Report back to the Board of Supervisors within 60 days on the final cost of this software purchase, and;
2. Report back, in coordination with the Chief Information Officer, no later than 6 months after installation on the new system's functionality.
